

CHANGE IN FILE STATUS  
APPROVAL FORM

DATE January 2, 1987

CURRENT FILE NO. ACT/019/011

RECOMMENDED FILE NO. DOE/019/024

COMPANY AND MINE NAME Dav-Tex, Poor Boy #1, #2, #3

REASON FOR CHANGE IN FILE STATUS

The Division required the original operator, Marvin Barnes, to reclaim the placer mine in 1984 after he exceeded the two acre DOE limitation. Mr. Barnes sold the property to H. R. Davidson of Dav-Tex who had reclaimed all but two acres at the site as of July, 1985. Dav-Tex is not mining the site at this time, but may have future plans for it.
